

Human Capital Management

Your Workforce. Advanced.

**Core HR Solutions
Talent Management
Workforce Solutions and Optimization**

CACI delivers human capital management (HCM) transformation to optimize your systems and workforce from hire to retire. The human capital landscape is rapidly evolving: older or disparate personnel systems, aging workforce and functional expertise, and employee engagement are among the many challenges facing organizations. We help our customers anticipate and navigate these challenges today and into the future. Our teams deliver the thought leadership, functional expertise, and technology to position your workforce for mission success. With our breadth of expertise and industry-leading methodologies, we design and modernize end-to-end payroll and personnel systems. Our experts tailor solutions for workforce planning and modeling; recruitment marketing and branding; hiring and onboarding; and improving the employee experience to attract, engage, and retain tomorrow's talent today. **Bridging people, technology, and your enterprise**, CACI drives results for the advancement of your most valuable capital – your workforce.
