Additional SLINs will be unilaterally created by the Contracting Officer during performance of this Task

CONTRACT NO. N00178-04-D-4030	DELIVERY ORDER NO. N00178-04-D-4030-NS05	AMENDMENT/MODIFICATION NO. 12	PAGE 3 of 42	FINAL

Order to accommodate the multiple types of funds that will be used under this Order.

B-2 OTHER DIRECT COSTS

It is anticipated that ODC costs will consist mainly of travel and incidental material costs. The Government reserves the right to increase the Other Direct Costs CLINs to reflect increases for travel and other direct costs. Travel costs shall be reimbursed based on actual, reasonable costs in accordance with the Joint Travel Regulations or with FAR 31.205-46. Travel and Other Direct Costs (ODCs) will be non-fee bearing cost elements subject to Material Handling and G&A Rates only.

B-3 FEE DETERMINATION AND PAYMENT (LEVEL OF EFFORT)

(a) Total Estimated Hours.

The total number of hours of direct labor (including overtime and subcontract hours), but excluding holiday, sick leave, vacation and other excused absence hours) estimated to be expended under this task order is SEE TABLE BELOW hours. The SEE TABLE BELOW direct labor hours include zero uncompensated overtime labor hours.

(b) Computation of Fee.

The fee per direct labor hour is computed by dividing the fixed fee amount shown in Section B by the number of estimated hours.

(c) Modifications.

If the contracting officer determines, for any reason, to adjust the task order amount or the estimated total hours set forth above, such adjustments shall be made by task order modification. Any additional hours will be fee bearing, and the additional negotiated fee will be divided by the additional estimated hours to determine a new fee (applicable to the additional hours only). If the fee for these additional hours is different from that of the original estimated hours, these hours shall be kept separate from the original estimated total hours.

The estimated cost of the task order may be increased by written modification, if required, due to cost overruns. This increase in cost is not fee bearing and no additional hours will be added.

(d) Payment of Fee.

The Government shall pay fixed fee to the contractor on each direct labor hour performed by the contractor or subcontractor, at the rate of SEE TABLE BELOW per labor hour invoiced by the contractor subject to the contract’s “Fixed Fee” clause, provided that the total of all such payments shall not exceed eighty-five percent (85%) of the fixed fee specified under the task order. Any balance of fixed fee shall be paid to the contractor, or any overpayment of fixed fee shall be repaid by the contractor, at the time of final payment.

Nothing herein shall be construed to alter or waive any of the rights or obligations of either party pursuant to the FAR 52.232-20 “Limitation of Cost” or FAR 52.232-22 “Limitation of Funds” clauses, either of which is incorporated herein by reference.

(e) The contractor is responsible for the conduct of employees performing work under this contract and is, therefore, responsible to assure that employees are notified of these provisions prior to assignment.

(f) The removal of contractor personnel from a Government vessel or installation as a result of the drug offenses shall not be cause for excusable delay, nor shall such action be deemed a basis for an equitable adjustment to price, delivery or other provisions of this contract.

After the initial 180 day period, all proposed substitutions must be submitted in writing, at least fifteen (15) days (thirty (30) days if a security clearance is to be obtained) in advance of the proposed substitutions to the contracting officer. H-8 ORGANIZATIONAL CONFLICT OF INTEREST

The Organizational Conflict of Interest clause in the Contractor's basic Seaport IDIQ Contract is incorporated in this Task Order by reference.

H-9 ORGANIZATIONAL CONFLICT OF INTEREST

(a) *Definitions.* As used in this clause —

Contractor means a party to a Government contract other than the Government and includes the total contractor organization, including not only the business unit or segment that signs the contract. It also includes all subsidiaries and affiliates.

Organizational conflict of interest means a situation in which, with reference to a particular acquisition—

(1) A contractor, or any of its prospective subcontractors, by virtue of its past or present performance of another Government contract, grant, cooperative agreement, or other transaction—

(i) Had access to non-public information that may provide it an unfair advantage in competing for

some or all of the proposed effort; or

(ii) Was in a position to set the ground rules, and thereby affect the competition, for the proposed acquisition; or

(2) A contractor or any of its subcontractors—

(i) Will have access to non-public information that may provide it an unfair competitive advantage in a later competition for a Government contract;

(ii) May, from the perspective of a reasonable person with knowledge of the relevant facts, be unable to render impartial advice or judgments to the Government; or

(iii) Will be in a position to influence a future competition, whether intentionally or not, in its own favor.

Resolve means to implement an acquisition approach that will enable the Government to acquire the required goods or services while adequately addressing any organizational conflict of interest.

----------------------------------	---	----------------------------------	------------------	-------

(b) *Notice.* The Contracting Officer has determined that the nature of the work to be performed in the contract resulting from this solicitation is such that it may give rise to organizational conflicts of interest. Applying the principles of FAR subpart 9.5, the contractor shall assess whether there is an organizational conflict of interest associated with the offer it plans to submit. The contractor should inform the Contracting Officer of any potential conflicts of interest, including those involving contracts, grants, cooperative agreements, or other transactions with other Government organizations, in order that the Government may assess whether the conflicts will require resolution.

(c) *Proposal requirements.*

(1) The contractor shall—

(i) (A) Disclose all relevant information regarding any organizational conflicts of interest; or

(B) Represent, to the best of its knowledge and belief, that there will be no organizational conflict of interest; and

(ii) Describe any other work performed on contracts, subcontracts, grants, cooperative agreements, or other transactions within the past five years that is associated with the offer it plans to submit.

(iii) To the extent that either the contractor or the Government identifies any organizational conflicts of interest, the contractor shall explain the actions it intends to use to resolve such conflicts, *e.g.*, by submitting a mitigation plan and/or accepting a limitation on future contracting.

(2) The Contracting Officer has the sole authority to determine whether an organizational conflict of interest exists and to determine whether the organizational conflict of interest has been adequately resolved.

(d) *Mitigation Plan.* If a contractor submits an organizational conflict of interest mitigation plan that the Contracting Officer approves, the resultant contract will include the Government-approved mitigation plan. The contractor shall notify the Contracting Officer and update the mitigation plan within thirty (30) days of any changes to the legal construct of the contractor organization, subcontractor changes, or significant management or ownership changes. Either the contractor or the Government may propose changes to the mitigation plan. Such changes are subject to the mutual agreement of the parties and will become effective only upon written approval of the revised mitigation plan by the Contracting Officer.

(e) *Compliance.* Compliance with this clause is a material requirement of the contract.

(1) The contractor shall report to the Contracting Officer any noncompliance with this clause or with the mitigation plan, whether by its own personnel or those of the Government or other contractors.

(2) The report shall describe the noncompliance and the actions the Contractor has taken or

proposes to take to mitigate and avoid repetition of the noncompliance.

(3) After conducting such further inquiries as may be necessary, the Contracting Officer and the contractor shall agree on appropriate corrective action, if any, or the Contracting Officer will direct corrective action, subject to the terms of this contract.

(f) *Termination for default.* If the contractor was or should have been aware, or becomes aware, of an organizational conflict of interest before or after award of this contract, and does not fully disclose that conflict to the Contracting Officer, the Government may terminate the contract for default.

(g) *Waiver.* The Government reserves the right to waive the requirement to resolve any organizational conflict of interest.

(h) *Subcontracts.* The contractor shall include the substance of this clause, including this paragraph

(h), in subcontracts where the work includes or may include tasks related to the organizational conflict of interest. The terms ‘contractor’ and ‘Contracting Officer’ shall be appropriately modified to reflect the change in parties and to preserve the Government’s rights.

CONTRACT NO. N00178-04-D-4030	DELIVERY ORDER NO. N00178-04-D-4030-NS05	AMENDMENT/MODIFICATION NO. 12	PAGE 31 of 42	FINAL
----------------------------------	---	----------------------------------	------------------	-------

(2) The contractor agrees, in the performance of necessary travel, to use the lowest cost mode commensurate with the requirements of the mission and in accordance with good traffic management principles. When it is necessary to use air or rail travel, the contractor agrees to use coach, tourist class or similar accommodations to the extent consistent with the successful and economical accomplishment of the mission for which the travel is being performed.

(3) When transportation by privately owned conveyance (POC) is authorized, the contractor shall be paid on a mileage basis not to exceed the applicable Government transportation rate specified in the travel regulations cited in FAR 31.205-46(a)(2) and is authorized in writing by the Government per paragraph (a).

(5) When transportation by a rental automobile, other special conveyance or public conveyance is authorized, the contractor shall be paid the rental and/or hiring charge and operating expenses incurred on official business (if not included in the rental or hiring charge). When the operating expenses are included in the rental or hiring charge, there should be a record of those expenses available to submit with the receipt. Examples of such operating expenses include: hiring charge (bus, streetcar or subway fares), gasoline and oil, parking, and tunnel tolls.

(6) Definitions:

(i) "Permanent Duty Station" (PDS) is the location of the employee's permanent work assignment (i.e., the building or other place where the employee regularly reports for work.

(ii) "Privately Owned Conveyance" (POC) is any transportation mode used for the movement of persons from place to place, other than a Government conveyance or common carrier, including a conveyance loaned for a charge to, or rented at personal expense by, an employee for transportation while on travel when such rental conveyance has not been authorized/approved as a Special Conveyance.

CONTRACT NO. N00178-04-D-4030	DELIVERY ORDER NO. N00178-04-D-4030-NS05	AMENDMENT/MODIFICATION NO. 12	PAGE 32 of 42	FINAL
----------------------------------	---	----------------------------------	------------------	-------

(iv) “Special Conveyance” is commercially rented or hired vehicles other than a POC and other than those owned or under contract to an agency.

(v) “Public Conveyance” is local public transportation (e.g., bus, streetcar, subway, etc) or taxicab.

(iv) “Residence” is the fixed or permanent domicile of a person that can be reasonably justified as a bona fide residence.

EXAMPLE 1: Employee’s one way commuting distance to regular place of work is 7 miles. Employee drives from residence to an alternate work site, a distance of 18 miles. Upon completion of work, employee returns to residence, a distance of 18 miles. In this case, the employee is entitled to be reimbursed for the distance that exceeds the normal round trip commuting distance (14 miles). The employee is reimbursed for 22 miles ($18 + 18 - 14 = 22$).

EXAMPLE 2: Employee’s one way commuting distance to regular place of work is 15 miles. Employee drives from residence to an alternate work site, a distance of 5 miles. Upon completion of work, employee returns to residence, a distance of 5 miles. In this case, the employee is not entitled to be reimbursed for the travel performed (10 miles), since the distance traveled is less than the commuting distance (30 miles) to the regular place of work.

EXAMPLE 3: Employee’s one way commuting distance to regular place of work is 15 miles. Employee drives to regular place of work. Employee is required to travel to an alternate work site, a distance of 30 miles. Upon completion of work, employee returns to residence, a distance of 15 miles. In this case, the employee is entitled to be reimbursed for the distance that exceeds the normal round trip commuting distance (30 miles). The employee is reimbursed for 30 miles ($15 + 30 + 15 - 30 = 30$).

EXAMPLE 4: Employee’s one way commuting distance to regular place of work is 12 miles. In the morning the employee drives to an alternate work site (45 miles). In the afternoon the employee returns to the regular place of work (67 miles). After completion of work, employee returns to residence, a distance of 12 miles. In this case, the employee is entitled to be reimbursed for the distance that exceeds the normal round trip commuting distance (24 miles). The employee is reimbursed for 100 miles ($45 + 67 + 12 - 24 = 100$).

EXAMPLE 5: Employee’s one way commuting distance to regular place of work is 35 miles. Employee drives to the regular place of work (35 miles). Later, the employee drives to alternate work site #1 (50 miles) and then to alternate work site #2 (25 miles). Employee then drives to residence (10 miles).

In this case, the employee is entitled to be reimbursed for the distance that exceeds the normal commuting distance (70 miles). The employee is reimbursed for 50 miles ($35 + 50 + 25 + 10 - 70 = 50$).
