

ASYMMETRIC THREAT
SYMPOSIUM XI

SOLUTIONS AND INNOVATIONS

FOR DEFEATING ASYMMETRIC THREATS

October 17, 2018

asymmetrictthreat.net

The symposium is co-sponsored by CACI International Inc, the Center for Security Policy, the Institute for the Study of War, and the Mitchell Institute for Aerospace Studies. The purpose of the event is to promote an evolving national security discourse put forth by experts across government, industry, and the private sector. The non-partisan, not-for-profit, pro-bono series was founded in 2008 by CACI Executive Chairman and Chairman of the Board Dr. J.P. (Jack) London and Lead Director on CACI's Board of Directors, Dr. Warren Phillips.

KEYNOTE SPEAKERS

Lieutenant General VeraLinn "Dash" Jamieson, USAF

Deputy Chief of Staff, Intelligence, Surveillance and Reconnaissance, Headquarters U.S. Air Force

Lieutenant General VeraLinn Jamieson is responsible to the Secretary and Chief of Staff of the Air Force for policy formulation, planning, evaluation, oversight, and leadership of Air Force intelligence, surveillance, and reconnaissance capabilities. As the Air Force's senior intelligence officer, she is directly responsible to the Director of National Intelligence and the Under Secretary of Defense for Intelligence. She leads five directorates and supports a 30,000-person enterprise with a portfolio valued at \$55 billion across the Air Force. General Jamieson has held numerous operational, command, and staff positions and has commanded an intelligence squadron, a joint intelligence operations center, and was the Deputy Commanding General for ISR of Joint Interagency Task Force 435.

Lieutenant General Daniel J. O'Donohue, USMC

Director for Joint Force Development (J7), Joint Staff

Prior to becoming Director for Joint Force Development (J7), Joint Staff, Lieutenant General Daniel O'Donohue served as the Commanding General, 1st Marine Division and Commander, Marine Corps Forces Cyberspace Command. His staff assignments included serving as Deputy Chief of Staff for Operations, ISAF Joint Command; Deputy Director for Force Management, Joint Staff J-8; Director, Capabilities Development Directorate, Headquarters Marine Corps; Assistant Chief of Staff G-3, 1st Marine Division; and Branch Head, Ground Combat Element Branch, Plans, Policies and Operations, Headquarters Marine Corps.

Anne Neuberger, NSA

Senior Advisor to the Director, National Security Agency; NSA Lead, NSA/USCYBERCOM (USCC) Election Security Small Group, NSA

As the NSA lead for the joint NSA/USCC Election Security Small Group, Anne Neuberger plays a central role in an initiative established by the Director of NSA to counter potential foreign interference in the 2018 mid-term elections. Previously, Ms. Neuberger served as the Assistant Deputy Secretary of NSA's Operations Directorate, leading NSA's foreign intelligence, cyber security, and information assurance operations as the civilian deputy of a three-member leadership team. Ms. Neuberger served as NSA's first Chief Risk Officer and as a member of NSA's Senior Leadership Team. She also served on the U.S. Cyber Command Implementation Team, which led the planning and stand-up of USCYBERCOM. Prior to joining NSA, Ms. Neuberger served as the Navy's Deputy Chief Management Officer and as a Special Advisor to the Secretary of the Navy, with responsibility for guiding Navy enterprise IT programs.

10:20 KEYNOTE SPEAKER

Redefining Situational Awareness

Anne Neuberger, NSA

Lieutenant General David D. Thompson, USAF

Vice Commander, Air Force Space Command

Lieutenant General David Thompson is responsible to the Commander of Air Force Space Command in carrying out Air Force space missions and integrating space policy, guidance, coordination, and synchronization of space-related activities, and issue resolution for Air Force Space Command and the Department of the Air Force. General Thompson is a career space officer with assignments in operations, acquisition, research and development, and academia. He has commanded operational space units at the squadron, group, and wing levels. Prior to his assignment as Vice Commander, General Thompson was Special Assistant to the Commander, Air Force Space Command, Peterson Air Force Base, Colorado.

Lieutenant General Michael K. Nagata, USA

Director of Strategic Operational Planning, National Counterterrorism Center

Lieutenant General Michael Nagata's office was established by an act of Congress in the wake of 9/11 and reports directly to the President of the United States for counterterrorism strategic operational planning activities. Previously, General Nagata served as Commander, Special Operations Command Central – a sub-unified command of U.S. Central Command. General Nagata has deployed extensively throughout his career, participating in contingency and combat operations in such varied locales as Somalia, the Balkans, Iraq, and elsewhere.

Enabling Multi-Domain Deterrence Through Asymmetric Military Capabilities

Lieutenant General David D. Thompson, USAF

12:00 **Break**

12:25 KEYNOTE SPEAKER

The Dogmas of the Quiet Past Are Inadequate to the Stormy Present

President Lincoln's Annual Message to Congress, Dec. 1, 1862

Lieutenant General Michael K. Nagata, USA

1:15 PANEL

Asymmetric Threats of the Future

Lieutenant General David A. Deptula, USAF (Ret),

Lieutenant General James M. Dubik, USA (Ret),

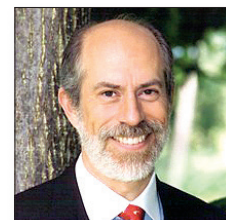

Frank J. Gaffney, and Dr. Lani Kass; Moderated by

VADM Lowell (Jake) Jacoby, USN (Ret)

2:25 **Closing Administrative Remarks**

Frank J. Gaffney

Founder and President,
Center for Security Policy

In addition to his role as founder and president of the Center for Security Policy, Frank Gaffney is also the host of *Secure Freedom Radio*, a nationally syndicated radio program that addresses current and emerging threats to national security. Mr. Gaffney previously served under President Reagan as the Assistant Secretary of Defense for International Security Policy, where he had responsibility for policies involving nuclear forces, arms control, and U.S.-European defense relations. The Center for Security Policy in 2018 is celebrating its 30th year as a non-partisan, educational public policy organization with a single, overarching mission: secure freedom.

Dr. Kimberly E. Kagan

Founder and President of the
Institute for the Study of War

Dr. Kimberly Kagan is a military historian who has taught at the U.S. Military Academy at West Point, Yale, Georgetown, and American University. She most recently authored *The Surge: a Military History* (2009), and edited *The Imperial Moment* (2010). Her essays have appeared in the *Wall Street Journal*, the *New York Times*, and the *Washington Post*, among others. Dr. Kagan served in Kabul from 2010 to 2012, working for commanders of the International Security Assistance Force. She was recognized for this deployment with the Distinguished Public Service Award, the highest honor conferred by the Chairman of the Joint Chiefs of Staff to civilians not employed by the Department of Defense. She has also worked overseas in numerous strategic and advisory capacities.

CO-SPONSOR REPRESENTATIVES

Dr. J.P. (Jack) London

Executive Chairman and Chairman of the Board, CACI International Inc

Prior to his position as Executive Chairman and Chairman of the Board of CACI International Inc, Dr. J.P. (Jack) London served as CACI's President and Chief Executive Officer for 23 years. Under his leadership, CACI has grown from a small consulting firm into a \$4.47 billion worldwide information solutions and services company. As Executive Chairman, Dr. London oversees strategic initiatives to ensure shareholder value, advance client missions, cultivate key client relationships, and monitor major financial transactions, including CACI's legacy mergers and acquisitions program, which he began in 1992. Dr. London is the author of *Character: The Ultimate Success Factor*, an examination of the importance of good character to both organizational and personal success, and is the architect of CACI's culture of ethics and integrity, which is a driving force in the company's growth and success.

Ken Asbury

President and Chief Executive Officer,
CACI International Inc

Ken Asbury is a proven industry leader with more than 30 years of executive experience in the defense, intelligence, and federal civilian marketplace. Mr. Asbury has led CACI to record growth and advanced the company's position as an IT innovator for national security missions. Prior to CACI, he served as President and CEO of Arctic Slope Regional Corporation – Federal, and previously led highly successful systems, solutions, and services programs at Lockheed Martin. Mr. Asbury also served in the military as a Korean translator and interpreter for the U.S. Army Security Agency.

Lieutenant General David A. Deptula, USAF (Ret)

Dean of the Mitchell Institute for Aerospace Studies

Lieutenant General David Deptula serves as the Dean of the Mitchell Institute for Aerospace Studies. He is regarded as a leader and pioneer in conceptualizing, planning, and executing national security operations from humanitarian relief to major combat. He was the principal attack planner for the Operation Desert Storm air campaign; commander of no-fly-zone operations over Iraq in the late 1990s; director of the air campaign over Afghanistan in 2001; twice a joint task force commander; and was the air commander for the 2005 South Asia tsunami relief operations. His last assignment was as the Air Force's first Deputy Chief of Staff for intelligence, surveillance, and reconnaissance, where he transformed America's military ISR and drone enterprises – orchestrating the largest increase in drone operations in Air Force history.

PANEL

Asymmetric Threats of the Future

MODERATOR

VADM Lowell (Jake) Jacoby, USN (Ret)

Jacoby Associates, LLC

VADM Lowell (Jake) Jacoby has served in senior leadership positions within industry and the Department of Defense. He retired from the Navy in 2005 as a Vice Admiral and Director, Defense Intelligence Agency. After retiring from the Navy, Mr. Jacoby was CACI Executive Vice President for Strategic Intelligence and Business Group Manager for CACI's National Solutions Group serving the Intelligence Community. Mr. Jacoby sits on several boards and is a regular participant as a speaker and panelist at conferences and symposia concerning intelligence and national security matters and is a mentor for emerging intelligence professionals.

PANELISTS

Lieutenant General David A. Deptula, USAF (Ret)

Dean of the Mitchell Institute for Aerospace Studies

See bio under Co-Sponsor Representatives.

Lieutenant General James M. Dubik, USA (Ret)

Senior Fellow at the Institute for the Study of War

Lieutenant General James Dubik, Ph.D., is a professor at Georgetown University's Security Studies Program, as well as a member of the Council on Foreign Relations, the National Security Advisory Council, and the U.S. Global Leadership Coalition. General Dubik has extensive operational experience in Iraq, Afghanistan, Japan, Korea, Thailand, Bosnia, Haiti, Panama, Honduras, and in many NATO countries. He is a member of the U.S. Army Ranger Hall of Fame and is a distinguished member of the U.S. Army 75th Ranger Regiment.

Frank J. Gaffney

Founder and President, Center for Security Policy

See bio under Co-Sponsor Representatives.

Dr. Lani Kass

Senior Vice President and Corporate Strategic Advisor, CACI International Inc

Dr. Lani Kass provides leadership to advance CACI's presence in the U.S. national security market and supports the development of corporate strategy. Previously, she served as Senior Policy Advisor to the Chairman of the Joint Chiefs of Staff, where she supported the development of integrated strategies, programs, and plans essential to America's security. Dr. Kass also served as the Special Assistant to the Chief of Staff of the U.S. Air Force and as Director of the USAF Cyber Task Force, where she developed the concepts that led to the establishment of the U.S. Cyber Command. She was the first woman to serve as Professor of Military Strategy and Operations at the National War College, National Defense University.
